I’m good, thanks.

Not bad, thanks.

Pretty good.

All good.

Can’t complain.

Doing alright.

I’m fine, cheers.

Very well, thanks.

Could be worse.

Hanging in there.

Same old, same old.

Not too shabby.

Busy as ever.

Flat out. (very British)

Snowed under. (busy)

I’m knackered. (tired)

I’m shattered.

A bit tired.

Full of energy today.

Feeling great.

Feeling rough.

Bit under the weather.

I’ve had better days.

Can’t grumble.

All sorted.

Getting by.

Surviving!

Still alive

Living the dream.

Just about coping.

Doing my best.

Keeping busy.

Keeping myself busy.

Busy but happy.

Busy but good.

Pretty hectic.

Been better.

Could be better.

I’m alright.

Not too bad.

Quite well actually.

Very busy.

Same as usual.

Same as always.

Everything’s fine.

Everything’s going well.

Nothing new really.

Nothing much.

Just working.

Just chilling.

Taking it easy.

Bit stressed.

All sorted now.

Finally relaxing.

Glad it’s Friday!

Happy it’s the weekend.

Ready for a break.

Just got back from work.

Ready to sleep.

Good overall.
